This list of leading environmental companies includes those that offer consulting, assessments, engineering, contracting and waste-hauling services. It is not a complete listing but an approximate compilation of the largest companies in Wayne, Oakland, Macomb, Washtenaw and Livingston counties. No. 8 on last year's list, Design Systems Inc., which *Crain's* believes would make the list, did not provide figures, and a reliable estimate could not be made.

① *Crain's* estimate.
